Bocce Ball

In the spring of 2017 our council was invited to compete in Bocce Ball by the Saint Patrick's, Kent council. We formed a team of 4 consisting of: Glenn Leppo, Jack Kline, Lee Gidden and Pat McCafferty with substitutes Mike Sweeney and Pat DiMauro. The game is held Tuesday evenings at the K of C hall on Rt 59 in Kent. Season 2017 has 8 teams. Each team competes in one game per evening and they last about an hour. There are two courts. Games start at 7 p.m. and 8 p.m. and we play through August 8th.

If you wish to participate as a substitute contact any of these players. Or just come to watch and cheer on the Newman team. Snacks, drinks, and something grilled are always served.

Dear Friends of the Foundation,

On behalf of The Michael J. Fox Foundation for Parkinson's Research, thank you for your April 26, 2017 gift of \$815.75 in support of Individual: Glenn Leppo: TF 2017: DIY and Team Fox.

Since the Foundation opened our doors, we have worked tirelessly to realize the unmet needs of the estimated five million people living with Parkinson's today — improved symptomatic treatments and ultimately, a cure. We're energized by progress in the field, but we won't stop until a cure is found and we close our doors. So we honor your trust with a dedication to efficiency: 89 cents of every dollar we spend organization-wide goes directly to straight to high-impact programs to speed a cure.

With your support, you are helping drive even greater advancements: 100 percent of Team Fox proceeds go directly to these efforts.

Learn more about our work by visiting michaelfox.org or connecting on social media, and thank you again for sharing our commitment to ending Parkinson's disease.

With gratitude,

Michele B. Golombuski
Vice President, Development
